Having said that, by following this review people can rest assure that On the Way to Myself: Communications to a Friend is a great book as mentioned.

About This Book:

Originally published in 1969; Dr Charlotte Wolff was the author of three books of psychology: The Human Hand; A Psychology of Gesture and The Hand in Psychological Diagnosis. This book; though it contains much psychology; is not of the same scientific kind as these. It is an autobiography; but not one of the normal kind. It is the history of a mind; not the chronicle of a life. For this reason it is not arranged chronologically but it is constructed round what the author called the creative shoc...
