About This Book:

30 Essential Skills for the Qualitative Researcher fills a gap in introductory literature on qualitative inquiry by providing practical "how-to" information for beginning researchers in the social; behavioral; and health sciences. Author John W. Creswell draws on years of teaching; writing; and conducting his own projects to offer effective techniques and procedures with many applied examples from research design; qualitative inquiry; and mixed methods. Creswell defines what a skill is; and ackn...
