Interestingly, by following this review online users can be assured that Emergency Planning for the Solo Entrepreneur: Back Up Your Business--Before Disaster Strikes is a great book as explained.

About This Book:

The challenges facing a solo entrepreneur when calamity strikes are unique in the realm of disaster planning; and the only effective strategy for preventing a business failure after an unexpected major setback is to have a clearly thought-out emergency backup plan. This book guides you to being 100 percent ready for the worst-case scenario. Asks a critical question: "How prepared is the average solopreneur to withstand a sudden crisis; like a serious medical emergency?"; addresses the likely co...
