About This Book:

Who is trying to kill the members of an elite special ops team that worked off the radar in Iraq in the '90s? Its up to Dan Stagg to track down the survivors the men with whom he stormed an undefended surveillance station; killing everyone inside. And now; many years later; the team is being targeted in what seems like a series of unrelated attacks.Dan teams up with his old comrade Al Benson; once a rising star of the USMC; now a respectable married civilian with a few secrets to hide. As the...
